'AI and ethics in practice'

*Annelies Vanderhoydonks*

DIGITAAL  
VLAANDEREN

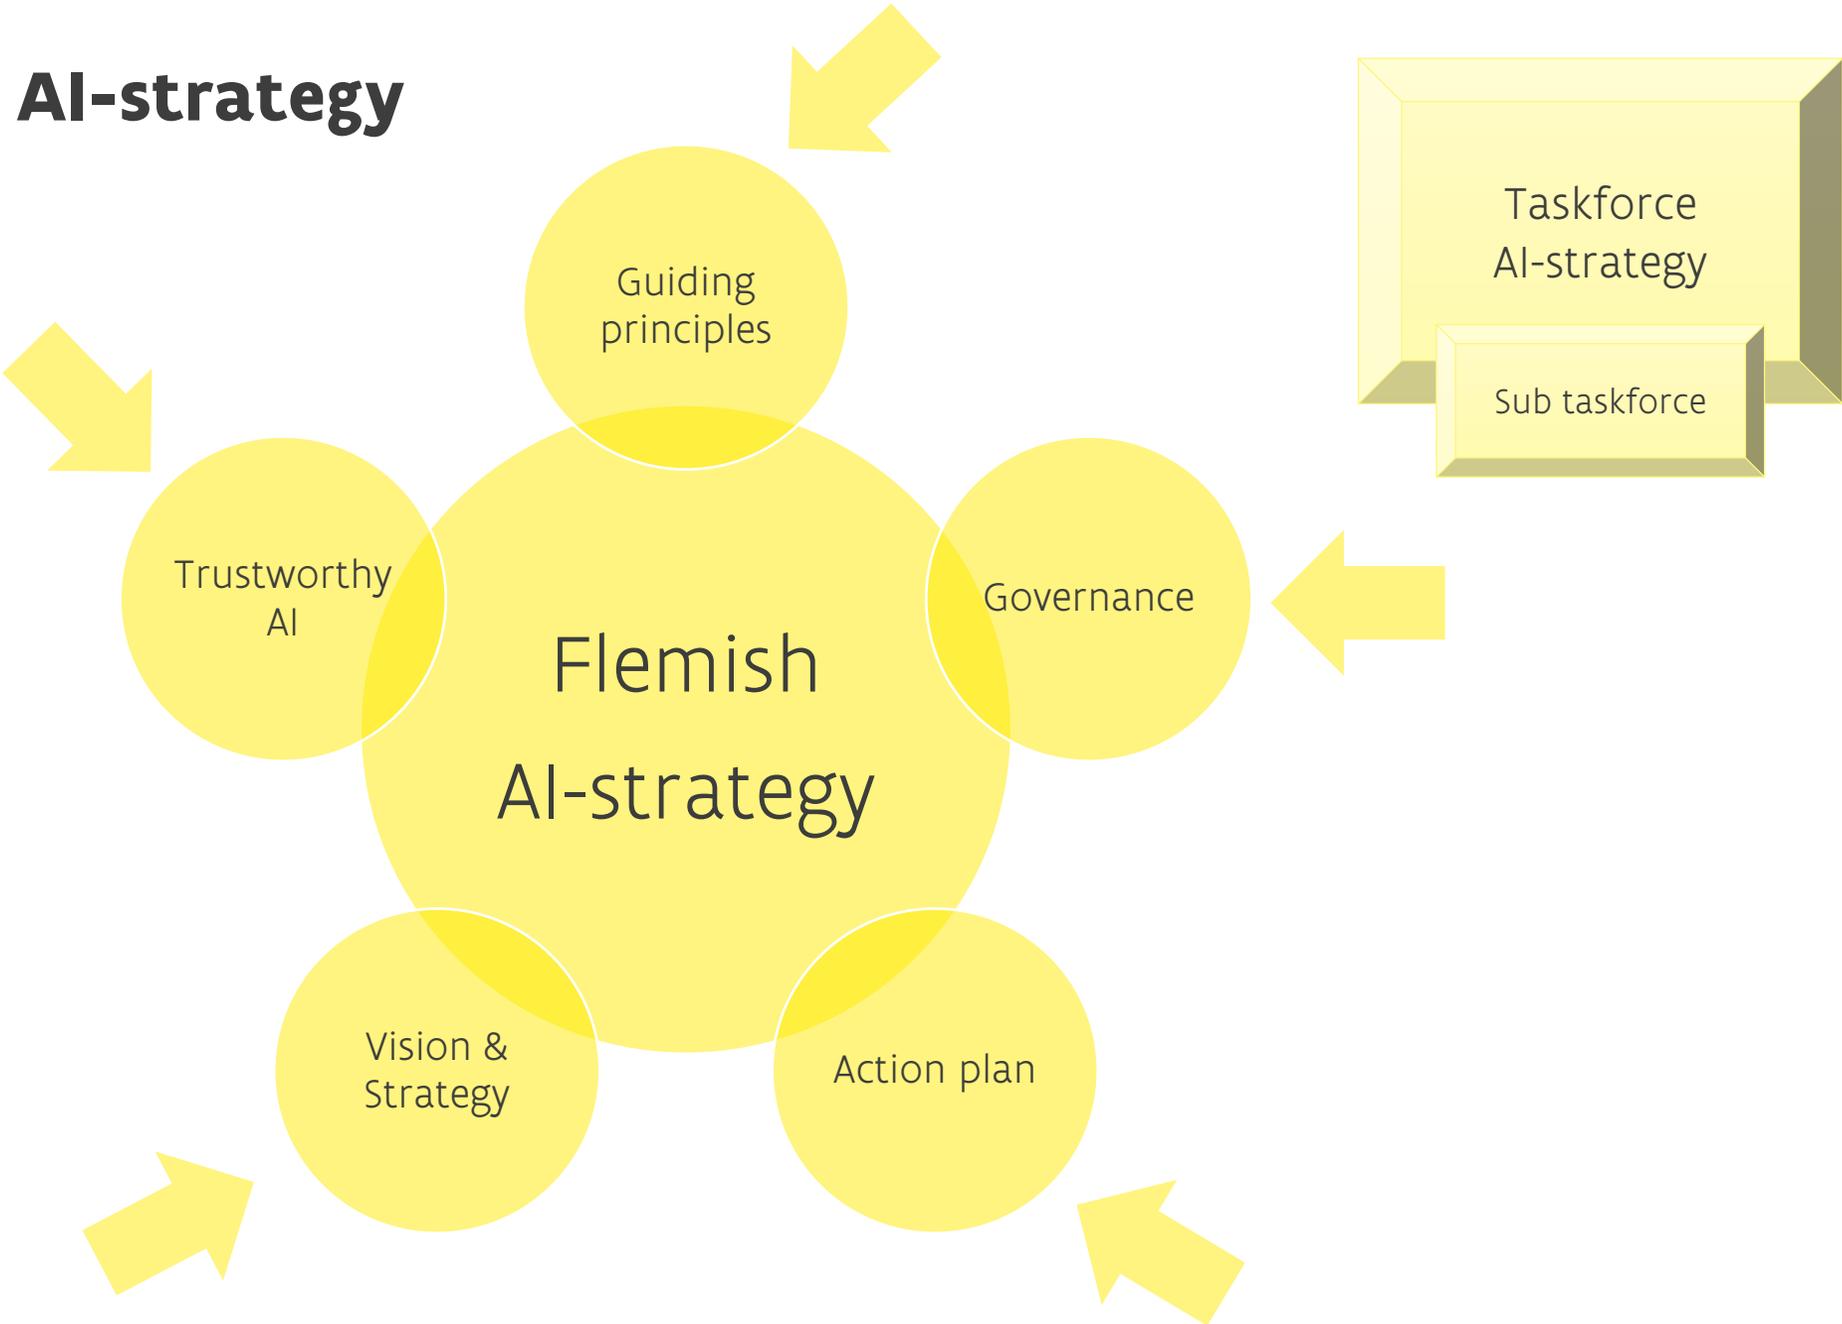

Vlaamse  
overheid

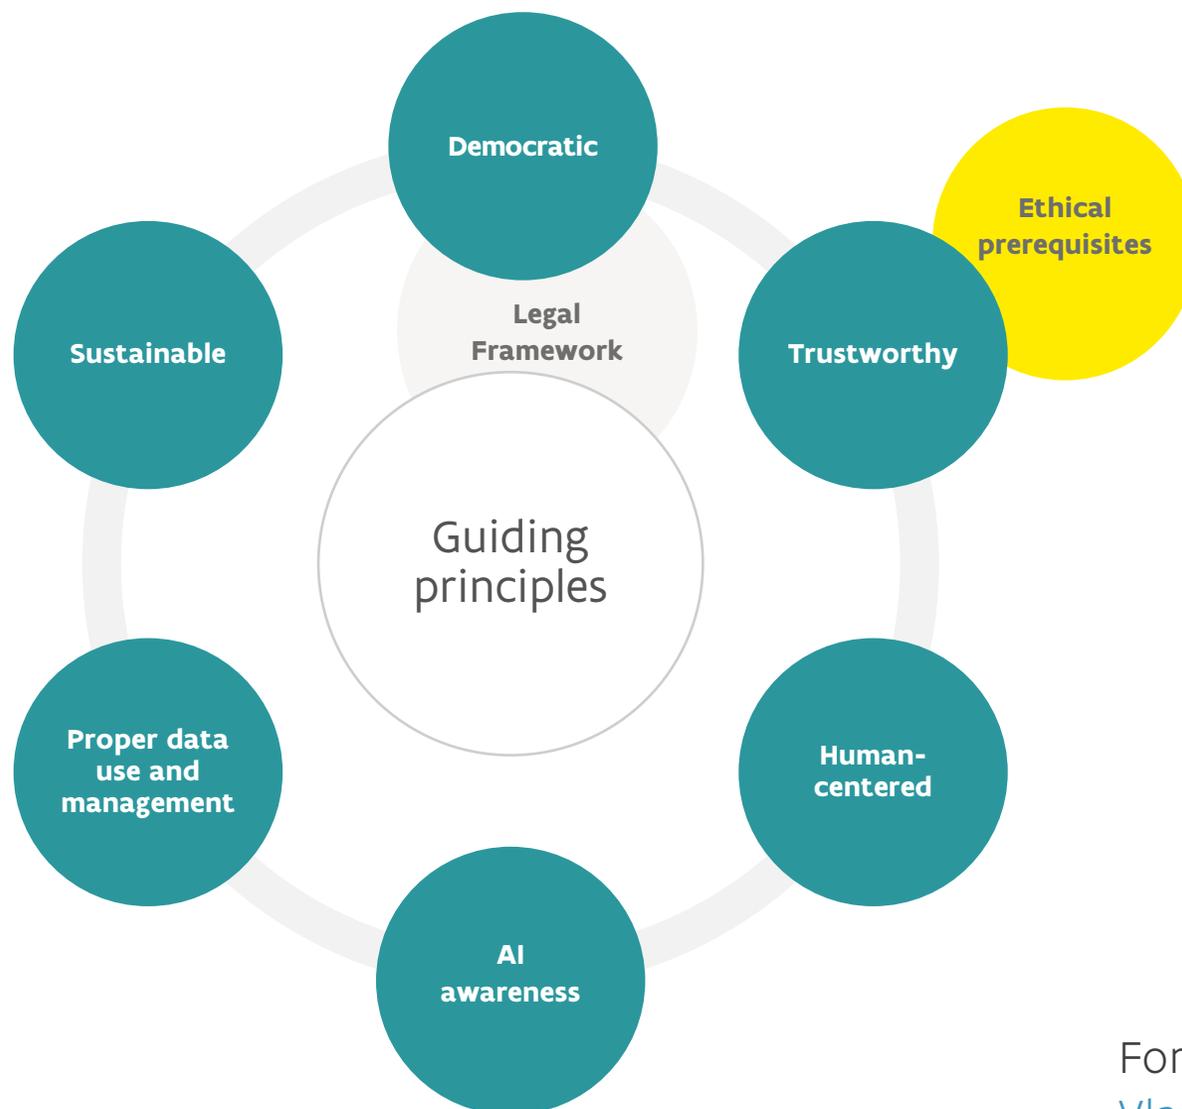

**Embrace the  
potential of AI...**

**... in a  
responsible  
manner**

# The Flemish AI-strategy

AI within the Flemish Government is **democratic, trustworthy, human-centered** and **sustainable, with proper use and management of data** and applied with **awareness**.
